

Be a real Nature Detective!
 Keep your eyes peeled for these butterfly caterpillars.

Painted lady

Green-veined white

Green hairstreak

Orange tip

Brimstone

Ringlet

Butterfly caterpillars

Remember, don't touch caterpillars – they're very delicate and their hairs can make your skin itch.

Holly blue

Comma

Small tortoiseshell

Speckled wood

Peacock

Caterpillars go through different stages as they grow. These are called instars.

Feel free to copy and share this for personal and educational use – and don't forget there are loads more brilliant activities to download on our website!
